I've been looking for a couple of 3 seaters for the family and the Seadoo GTI looks cool and there are a ton of them out there but some people say they just aren't that thrilling with the 720 engine in there. I want reliability and a good rush when I ride. (the reliability for the family, the rush for me) Budget is a consideration here of course so I'm looking at older skis, late 90's mostly.
