Absolute Ultimate Guide For Lehninger Principles Of ...

Biochemistry was probably one of my least favorite chemistry classes in college. That being said I am trying not to make my review biased. The text did a decent job of explaining most things. The pathways could have been written a little more clear or easy to understand. I did find better ones online that were more useful to study from, etc. Also, it was very frustrating that the solutions manual was lacking. It most certainly would have helped.
