Over time, as Go Math! is taught from grade level to grade level, this problem should become a moot point. The Assessment Guide has a Prerequisite Skill Inventory that can be given to the students to help further identify the missing skills. The following page is a very important component in teaching with Go Math!.

Welcome to the Go Math!!

Curriculum - This details what domain, cluster, standard, and essential questions are taught within the math program. In addition, it informs the parent what other interdisciplinary standards (technology, science, social studies, and literacy) are incorporated in each domain. Scope and Sequence - This details what general topics are taught, how long we will spend on each topic, and how many ...
