Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

### **Its So Amazing A Book**

It's So Amazing! provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies.

**It's So Amazing!: A Book About Eggs, Sperm, Birth, Babies ...**

It's written in accessible but informative, scientifically-informed, not-patronising language, and gives kids enough information without overloading them with minutiae of details. It's really well-judged and seems perfect for my 7-year old. I'd say 5-8 year olds should find this appropriate and useful.
