Hera 10W LED Constant Current Driver - LBC Lighting

The ER-LED is a great substitute light for the old Hera SET2LED lights. It is large enough to mount right over an existing hole to hide it, and can still give the impression of being a recessed light.

Hera Lighting Cabinet and Furniture Display Lighting ...

The Stick3-LED is Hera's prime addition to the Stick-LED family of lights. You can recess or surface mount these linear lights for furniture, display, showcase, or under cabinet lighting. The Stick3-LED is designed with a frosted continuous lens to produce a smooth light output similar to fluorescent, yet with a much smaller dimension and no LED hot spots.
