### Never Been Ready 2 JI

Never Been Ready is book two in JL Bergs Ready series and Leah and Declan do in fact meet in the first book but this one works perfectly well as a standalone. Theres enough gaps filled in during the earliest part of the book to bring you completely up to speed so if you havent read When Youre Ready, youre still good to go with this one.

She has watched many new lives enter this world and she loves her job. She is young, beautiful, but she is done with love and everything that comes with it.
