The reader can thus get a snapshot of the entire world at a point in time by reading one chapter, or can follow the history of a region through time by linking to sections in successive chapters. This modular, linked structure is ideally suited to web-based online implementation, especially to the Connexions platform.

A Comprehensive Outline of World History

This is an eight-page outline on the Second World War for high school students. It begins by looking at Germany, Italy, the Soviet Union, France, and the United States in the years leading up to World War II, then the country's entry into the global conflict. Thereafter, it lists major events by year.
