Racial formation was coined by sociologists Michael Omi and Howard Winant in the first edition of their book Racial Formation in the United States in 1986 - now in its third edition (Omi and Winant 2014). The theory has become a dominant perspective within sociology and has contributed to understanding the role of race in the contemporary United States during the latter half of the twentieth and start of the twenty-first centuries.

Racial Formation - GLOBAL SOCIAL THEORY

Racial Formation in the United States From the 1960's to the 1990's by Michael Omi and Howard Winant is a deep, scientific, almost thesis-styled review of the term "race," it's understanding, and usage in the U.S. from the 60's to the 90's. They attempt to give concreteness to this nebulous term by defining it from various points.
