Road to Relevance by Harrison Coerver - Goodreads

5 Important Goals for Your Content Strategy. Setting goals is the first step in turning the invisible to the visible. One of the most important reasons any brand creates content is to become visible. As Tony Robbins says, setting goals is the best way to make that happen.

5 Important Goals for Your Content Strategy - Relevance

The building blocks of strategy shed fresh light on what strategic planning should and shouldn’t try to do. For starters, we’d emphasize that periodically—perhaps as often as every three to five years, if new competitors arrive or markets unexpectedly shift—companies must re-create their strategies.

Implementing an automation strategy should be an integral part of your revenue roadmap, and continuous improvement and development of any existing automated solutions should be recurring milestones within your plan. Click to tweet: 6 steps for developing a strategic #revenue roadmap

6 Steps for Developing a Strategic Revenue Roadmap | IDEAS

For many people, using their own resources and the kinds of strategies listed above may be enough for building their resilience. But at times, an individual might get stuck or have difficulty making progress on the road to resilience.

Building your resilience

Strategic relevance Often development in modern industry is faster than in academia. On the other hand, in the rush to keep up with the competition, industry and society often fail to learn and use new and essential methods from basic sciences. It is a major challenge to develop faster and more efficient channels for communication across the ...
