One of the most important components of the ITIL Service Value System is the ITIL Guiding Principles.

# Online Library

## Simplify 7 Guiding Principles To Help

A guiding principle is a recommendation that provides universal and enduring guidance to an organization, which applies in all circumstances, regardless of changes in its goals, strategies, type of work, or management structure. The 7 ITIL Guiding Principles are an adaptation of the 9 Guiding Principles defined in 2016's ITIL Practitioner course.
