Understanding the Crusades from an Islamic perspective

CRUSADES: MUSLIM PERSPECTIVE The Muslims of Syria, who were the first to receive the assault of the Crusaders, thought the invaders were Rum, the Byzantines. Accordingly, they regarded the invasion as still another Byzantine incursion into Islamic territory, and, in fact, one inspired by previous Muslim victories in Byzantine domains.

For many centuries, the history of the crusades, as written by Western historians, was based solidly on Western sources. Evidence from the Islamic societies that the crusaders attacked was used only sparingly - in part because it was hard for most westerners to read, and in part because much of it was inaccessible even for historians who

Great accounts of Muslims at the time of the Crusades- what they did and what they thought. Very rare in Crusades history, sadly. It's a large, scholarly work, but broken up into many sections like a textbook and containing lots of artwork so it's very approachable for the scholar or Crusades enthusiast alike.
