The Lost Art of Healing by Bernard Lown: 9780345425973 ...

In short, healing is a lost art. This pessimistic view may have influenced the General Medical Council's recent pronouncements on the future of medical education in Britain. Similar thinking in the United States is reflected in this book by Bernard Lown, the distinguished Boston cardiologist and acceptor of the 1985 Nobel Peace Prize on behalf of the International Physicians for The Prevention of Nuclear War.

The Lost Art of Healing | The BMJ

The Lost Art of Forgiving is a collection of stories showing the healing power of forgiveness in the experiences of ordinary people scarred by crime, betrayal, abuse, bigotry and war. It lets the lives and voices of those who have forgiven, and those who haven't, speak for themselves.

In The Lost Art of Healing, Dr Lown devotes five chapters to his research activities, but most of the book focuses on his passion for the art of medicine, the importance of the doctor-patient relationship, caring for patients, and the need for

The Lost Art of Healing | JAMA | JAMA Network

The lost art of healing We physicians would do well to remember that patients need empathy and psychological support no less than an accurate diagnosis and the application of appropriate treatment

The lost art of healing - The Jerusalem Post

Through THE ME IN MEDICINE: REVIVING THE LOST ART OF HEALING, the author reveals the approach that is critical for both the doctor and the patient to improve treatment, the healthcare system, reduce misdirection (and possible cost) as well as overtreatment by doctors.

The Me In Medicine: Reviving the Lost Art of Healing ...

The Lost Art of Healing is a skillfully written account of the experiences of Dr. Bernard Lown. He provides a detailed record of the training that had a profound influence on his view of medicine, how he interacted with his patients and how the combination of the two resulted in some of the best practices in medicine for him. Dr. Lown suggests that the study of medicine has become a matter of time and money.
