LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

This review is on The Slaver Wars: First Strike, which is Book Four of The Slaver Wars series by Raymond L. Weil. I have been reading each book in the series as soon as they become available. This story starts out with two Hocklyn Slave Empire warships jumping in space very close to the Human Federation of Worlds home systems and finding a human mining colony.
